About The Area

Important Cultural Sites & Guidelines in and Around İzmir

1. Ephesus Ancient City (Selçuk)

A UNESCO World Heritage site, Ephesus is one of the best-preserved ancient cities in the world, featuring iconic structures such as the Library of Celsus and the Great Theatre.

Guidelines:

It is forbidden to touch or climb on historical structures.

Please help keep the area clean.

Loud noise, music, and unauthorized drone use are prohibited.

Pets are allowed only with a leash.

2. İzmir Agora Archaeological Site (Konak)

The commercial and social heart of ancient Smyrna.

Guidelines:

Do not touch the historical stones.

Food and drinks may only be consumed in designated areas.

Flash photography is prohibited in certain sections.

Littering and smoking are not allowed.

3. Kadifekale

This Hellenistic-era castle offers one of the most impressive panoramic views of the city.

Guidelines:

Climbing the fortification walls is strictly prohibited.

Do not go beyond marked safety boundaries.

Please keep the area clean.

4. Kemeraltı Bazaar

One of the oldest and most vibrant commercial centers in Turkey, dating back to the Ottoman period.

Guidelines:

Be mindful of your personal belongings in crowded areas.

It is courteous to ask permission before taking photos.

Bargaining is welcome but should always remain respectful.

Safety & Emergency

Emergency and Security

In an emergency, dial '0'.

Turkey's emergency line is 112.

Please check the emergency exit plan on your door.

Use the in-room safe for valuables.

Lock your room door before sleeping.

Non-Smoking Rooms

Smoking is prohibited in rooms and indoor areas.

A 100 EUR cleaning fee applies if smoking is detected.

Fire Safety

Do not use guest elevators during emergencies.

Use fire stairwells located next to the elevators.

Smoke detectors are installed throughout the hotel.

If the alarm sounds, remain calm and exit via the nearest stairwell.

Non-Smoking Rooms

Smoking is strictly prohibited in all indoor areas of the hotel, including guest rooms on the 2nd, 3rd, 4th, and 6th floors. Please note that a €100 deep-cleaning fee will be charged to your room account if smoking is detected in a non-smoking room.

Fire Safety & Emergency Procedures

We kindly request that you review the emergency exit plan located behind your room door and in the corridors.

Do not use the guest elevators during fire or emergency situations.

Fire escape stairs are located next to the elevators on each floor. You may also use the guest staircases to exit the building.

Smoke detectors are installed in all rooms and public areas. If a detector senses smoke, the fire alarm system will activate and the siren will sound.

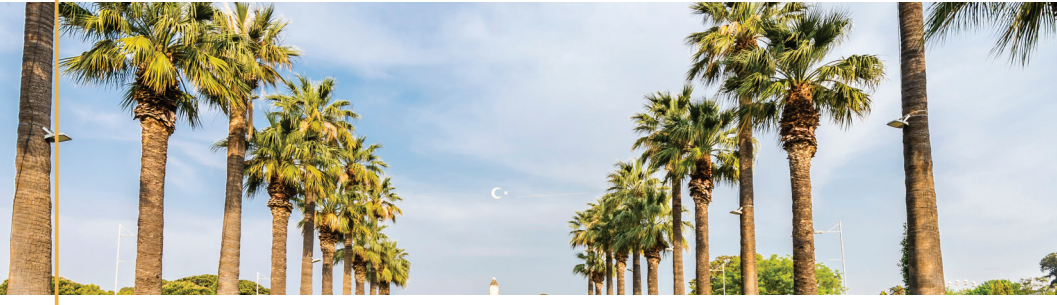

If you hear the alarm, please remain calm and evacuate the building using the nearest fire escape.

CCTV / Security Cameras

For your safety, CCTV cameras operate in all public areas of the hotel.

Electricity

Electrical outlets in Türkiye operate at 220V.

Sustainability

Sustainable Tourism Policy

WE CARE ABOUT NATURE AND THE FUTURE

While our priority is to provide you with the highest quality accommodation experience, we are equally committed to taking every step with respect for a sustainable future. In this regard, we follow the Sustainable Tourism Program criteria and fully comply with all legal regulations.

Environmental Commitment

At The New Zeybek Hotel, we place great importance on protecting natural resources. We kindly invite you to read the FOR A SUSTAINABLE FUTURE information card located in your bathroom.

As part of our environmental practices:

For long-term stays, bed linens are changed every three days.

Bathroom towels are replaced only when left on the floor.

To support energy conservation, please remove your room card from the power slot when leaving the room.

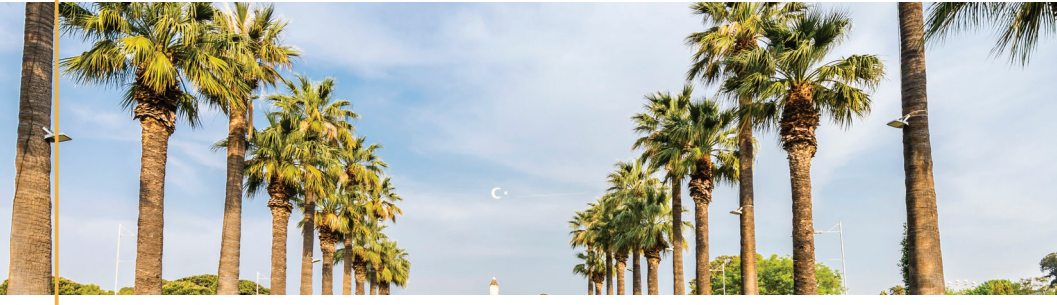

If you'd like, I can also format this as a guestroom card, brochure text, or infographic-style wording.
